To Do

- **Assessments for young adults who do not consent to the database should be faxed to Samantha at 206-205-6565.**

- **An updated Mobility Request form is available on the YHC website.** Young adults who want to submit a mobility request need to complete a new assessment; locations and times for completing a new assessment can also be found on the YHC website. Housing Providers will receive this information in a separate email, to follow.

- **To schedule a training, either as a YHC Assessor or as a Housing Provider who uses the database, please contact Samantha.**

Awesome Work!

Thank you to all of the YHC Assessors for your hard work this week, and always! We appreciate the role you hold in our community, and are grateful for your commitment.
